I have read and signed the Patient Consent Form, which remains with the ordering physician. I understand that 2 blood samples will be taken by LifeLabs staff. I acknowledge that my sample(s) and personal health information will be sent to LifeLabs and/or Natera for the purpose of non-invasive prenatal testing. I also understand that LifeLabs will contact me for a new blood sample if a test result cannot be provided from the original blood samples. I acknowledge that LifeLabs will send the results to my ordering physician and, if testing is performed at Natera, LifeLabs will receive results from Natera and send the results to my ordering physician. Should we be asked to disclose information about you for another reason, other than as required or permitted by law, we will contact you to obtain your consent.
