

Ordering Genetic Testing

LifeLabs Genetics is proud to offer equal access to genetic testing across Canada. We offer different collection options per test, which vary by province. Please see details below and contact us should you require more information.

Ontario and B.C.

Find the closest **LifeLabs Collection Centre** at <http://locations.lifelabs.com>
Book an appointment online at www.LifeLabs.com or by using the **Save My Spot!**[™] app.

Quebec

For genetic testing in Quebec, there are different options based on the test performed. Please contact LifeLabs Genetics to be directed to the closest collection partner at:
1-84-GENE-HELP (1-844-363-4357) or **Ask.Genetics@LifeLabs.com**.

Other Provinces and Territories

Please contact LifeLabs Genetics to be directed to the closest collection partner
1-84-GENE-HELP (1-844-363-4357) or Ask.Genetics@LifeLabs.com

LifeLabs Genetics is at the forefront of clinical genetic testing and personalized medicine in Canada, working with the world's leading laboratories, healthcare providers, and government partners to find the most cost-effective and meaningful, clinically-relevant way to bring genetic advancements to Canadians.
